

CAPTURE EVERY OPPORTUNITY TO ENGAGE WITH YOUR PATIENTS

THE PROBLEM

23% average no show rate

\$37.50 average revenue per appointment

500 average number appointments per month

\$4,313.00 average cost of no shows per month

Through our automated, EHR integrated solution, Cliniconex can help effectively engage with patients via call, text, or email.

THE SOLUTION

APPOINTMENT REMINDERS

- Appointment reminders
- Booking notifications
- Clinic cancellations
- Waitlist management
- Appointment recalls
- Preventative care notices
- Bulk notification

WAITING ROOM CONCIERGE

- Wait time display
- Patient queue display
- Leave return messaging

HEALTH QUALITY IMPROVEMENT

- Send health promotion messages
- Send post-visit surveys to patients

THE BENEFIT AND BOTTOM LINE

Increase patient retention by managing expectations and improving the patient experience.

Cliniconex customers have seen a 53% reduction in no-shows after deploying our services.

Increase the productivity of your staff and the revenue of your clinic.
